**EXHIBIT 12**

I have reviewed the application including all attachments by Resinate, Inc. for the proposed marijuana retail facility at 135 Westboro Road. While the application appears to conform with the requirements set forth by the Cannabis Control Commission 935 CMR 500.110, I have not been presented any site plans, photographs, floor plans, diagrams or documents delineating security measures for the establishment to include, alarms, access controls, surveillance cameras or security lighting.

I recommend that final approval of this project not be granted until the aforementioned information has been provided to the police department for inspection and review.

Respectfully,

Normand A. Crepeau, Jr.
